

## Congratulations to a New Exhibitor!

In April, ESPER member Hollace Enoch from Virginia forayed into philatelic exhibiting for the first time at SPRINGPEX in Springfield, Virginia, from April 6-7. She was awarded a Silver award for her single frame exhibit of Delta Sigma Theta Sorority, Inc. Members Honored on U. S. Stamps. She also won a Novice Award (for first time exhibitor), the American First Day Cover Society Award for Best First Day Cover Exhibit, the One-Frame Award, and the Women Exhibitors Sterling Achievement Award. How exciting!

Hollace exhibited at NAPEX in McLean, Virginia, from June 7-9. She was awarded a Silver award for her single frame exhibit of Delta Sigma Theta Sorority, Inc. Members Honored on U. S. Stamps. She also received the Women's Exhibitors Sterling Achievement Award and the American First Day Cover Society Award. Wow!

Exhibiting has been exciting for Hollace, and she plans to incorporate the constructive suggestions she received from judges and other exhibitors to expand her exhibit for future stamp shows. We wish her continued success.
